Decision

Matter of: Dunn Electric Co., Inc.

File: B-260290

Date: February 8, 1995

DECISION

Dunn Electric Co., Inc. protests the Department of the Navy's consideration of the bid submitted by Montage, Inc., the apparent low bidder, under invitation for bids No. N62477-95-B-3002. Dunn Electric argues that Montage's bid is so ambiguous as to price that it is nonresponsive. The Navy advises that it is evaluating Montage's bid and has made no decision on whether to accept it.

That being so, we view the matter as premature. Should the Navy ultimately decide to accept the Montage bid, Dunn may properly timely protest at that time.

The protest is dismissed.
